### Music Distance Learning Plan

1. Learning Pathways
  - a. How will you facilitate distance learning with your students?
    - i. Mixed delivery, online and hard copies
  - b. What level of parent engagement will your students need to be successful?
    - i. How will you involve parents? Emails or Website and hard copy instructions when necessary
    - ii. How will you support parent engagement? Email/Website
2. Technology
  - a. Who has a device to use for learning at home? See office staff
  - b. Who has internet access to use for learning at home? See office staff
  - c. Which online learning tools will students need to access? 2-6 -Google Classroom, YouTube, Musicplay online, and other links provided
  - d. How do we accommodate homes with multiple students and children in daycare? Assignments will be given out weekly and can be done at any time during the week. We plan to be available during set times during the week.
  - e. How will you accommodate students in homes who cannot access online learning at home? Hard copies of material will be provided on a weekly basis or however delivery is set up.
3. Learning Materials & Teacher Interaction
  - a. **How will you take and track attendance? Teachers will need to put in daily attendance into Synergy every "school day".** Attendance collected by elementary classroom teachers and 1st hour HS teachers.
  - b. How will you interact with students each day? Not sure what this should look like for music. Type their name in a google doc or in Google classroom on their scheduled music day? Answer a question?
  - c. What content needs to be created to deliver this flipped model? Develop lessons for the next 8 weeks. Google Classroom and materials, depending on grade level.
  - d. What resources are now available? [List of online music sites for students](#)
  - e. What resources are needed? We may purchase lessons from Teachers Pay Teachers if needed (Budget is set aside for this and we have a PO)
  - f. How will you distribute learning materials to students online? Through Google classroom and our Website

- g. How will you package learning materials to be delivered and returned to school via bus routes? *in packets/envelopes with student names, or how the district suggests. Elementary materials will be coordinated with classroom teachers.*
    - h. How can lesson plans continue to facilitate students working together in small groups? (i.e. create a good presentation remotely together on a specific topic) *We plan to have lessons that students can share with each other through Voom, FlipGrid, etc.*
    - i. How will you provide extra support to struggling learners, students on an IEP or 504 Plan? *We will be available via email or Google hangouts for parents and students to ask questions, demonstrate, explain, etc.*
  4. Training
    - a. What specific training or support do you need to be able to meet the expectations of delivering educational services remotely for an extended period of time? *Time to experiment with what's available.*
    - b. What specific training or support will your students need to be able to meet academic expectations through distance learning? *Younger grades may need help with Google Classroom*
    - c. What specific training or support will parents need to support their child's learning at home? *Google classroom*
  5. Other?
    - a.
